of the year in which the contribution is made, as well as legal entities with whom such a contract was concluded, for a total amount of more than one hundred times the subsistence level for able-bodied individuals established as of January 1 of the year in which the contribution is made, within the period of validity of such contract and for one year after its termination.

The individual making a donation in support of a political party shall confirm the absence of any restrictions on making donations provided for by Part one of this Article. The liability for failure to comply with such restrictions shall lie with the individual making the donation. Neither parties nor their authorized persons shall be legally liable for violation of the requirements set forth by Part one of this Article.

The overall value (amount) of donation(s) made in support of political party by Ukrainian citizen over one year shall not exceed four hundred minimum monthly salaries, providing that the amount of the minimum monthly salary shall be established as of January 1 of the year when the donation was made.

The overall value of donation(s) made in support of political party by the legal entity over one year shall not exceed eight hundred minimum monthly salaries, providing that the amount of the minimum monthly salary shall be established as of January 1 of the year when donation was made.

If a natural or legal entity has or may have a decisive influence on operations of one or more legal entities (in particular, if such natural or legal entity is an ultimate beneficiary (owner or controller) of a legal entity), donations from such a natural or legal entity and legal entities being under control shall be regarded as donations from one person and shall be limited by the total amount of donations established by this Article. The National Agency on Corruption Prevention shall define the terms "decisive influence" and "ultimate beneficiary (owner or controller)" used herein and in the laws governing the elections.

The value of donations in the form of works, goods or services shall be established based on the market value of identical or similar works, goods or services in the respective market, in accordance with the methodology developed and approved by the National Agency on Corruption Prevention in coordination with the central executive body in charge of development and implementation of state financial policy.

A political party or its local organization which has acquired the status of a legal entity in accordance with the established procedure must reject a monetary donation (or a part of it exceeding the established size) if the size of the donation (the total amount of the donations) from a person (group of persons) exceeds the legally established limit, within 15 working days from the day when the authorized person of the political party or the party's local organization has become aware of the respective fact. Based on the statement of refusal for that reason from the donation or its respective part signed by the leader of the political party (local party organization) and the payment document, the banking institution that opened the bank account to which the donation was transferred shall return the donation or the part of such donation (in excess of the amount established by this Law) to the donor; and if it is impossible to return it, shall transfer such donation or its respective part to the State Budget. The procedure for returning a donation or its part on the grounds provided for by this Article or on other grounds established by the Law shall be determined by the National Bank of Ukraine.

#### **Article 16. Exercising ownership rights with respect to property owned by political party**

The ownership rights with respect to the property and funds owned by political party shall be exercised pursuant to the procedures set forth in the legislation or party statute.

### **Article 17. Party financial reports**

*The political parties and their local organizations shall keep accounting records in accordance with the legally prescribed procedures and shall undergo an annual in-house financial audit of their activities. In addition, they shall undergo an external independent financial audit in the cases provided for by this Law.*

*An annual in-house financial audit of a political party shall be performed based on the incomes and expenses of the political party and its local organizations which have acquired the status of a legal entity in accordance with the established procedure by the duly authorized body (official) in accordance with the procedure provided for by the charter of the political party.*

*A political party receiving state funding shall be obliged to undergo external independent audit of financial reporting in the year after the year when state funding was received.*

*An external independent audit of financial reporting of a political party can only be conducted by auditing firms empowered by the Law of Ukraine "On the Audit of Financial Reporting and Auditing Activities" to conduct mandatory audit of financial reporting.*

*When conducting an external independent audit of financial reporting of a political party, a check of the figures provided in the reports on property, incomes, expenses and obligations of a financial nature (as to completeness, truthfulness of information included in the report, and compliance of the reports with the requirements established by the law) shall be made.*

*Political parties and their local organizations shall provide the auditing firm conducting the external independent audit of financial reporting with all the information and documents required for conducting such audit.*

*A political party shall have the right to conclude a contract for the conduct of the external independent audit of financial reporting with one and the same auditing firm for not more than three years in a row.*

*The procedure for engaging an auditing firm to conduct the external independent audit of financial reporting shall be determined in accordance with the charter of the political party.*

*On a quarterly basis, no later than on the fortieth day after the end of a reporting quarter, a political party shall submit to the National Agency on Corruption Prevention a report on property, incomes, expenses and obligations of a financial nature (including those of its local organizations which have acquired the status of a legal entity in accordance with the established procedure) by filling it out on the official website of the National Agency on Corruption Prevention.*

*The form and procedure for submitting a political party's report on property, incomes, expenses and obligations of a financial nature shall be subject to approval by the National Agency on Corruption Prevention.*

*A political party's report on property, incomes, expenses and obligations of a financial nature shall necessarily include such sections:*

*1) "Property and non-material assets," in which complete and truthful information must be provided on property (funds in all accounts, securities, real estate, vehicles, other movable property the value of which exceeds fifty times the subsistence level for able-bodied persons established as of January 1 of the accounting year) and non-material assets belonging, under the right of ownership or use, to the party or its local organization which has acquired the status of legal entity in accordance with the procedure established by the law;*

This unofficial translation was prepared by the International Foundation for Electoral Systems (IFES) through the support of the United States Agency for International Development (USAID) and Global Affairs Canada. The translation includes all amendments to the Law made by July, 2020.

2) *“Donations and other receipts,” in which complete and truthful information must be provided on donations (money donations, property donations, donations in the form of works or services; donations in the form of non-material assets; donations made by funding events or activities in support of a political party or its local organization which has acquired the status of legal entity in accordance with the procedure established by the law; state funding resources (in case they have been received in accordance with the law); incomes, property and non-material assets which are not donations in accordance with this Law; funds not belonging to the category of incomes or donations that were received during the accounting quarter by the political party or the political party’s local organization which has acquired the status of legal entity in accordance with the procedure established by the law;*

3) *“Payments and other expenses,” in which complete and truthful information must be provided on payments from a separate account opened for receiving funds from the State Budget, other accounts of the political party and its local organizations which have acquired the status of legal entity in accordance with the procedure established by the law (with generalization of information separately for each type of accounts); return of money donations (or parts thereof) and funds received erroneously, return of property donations and non-material assets, donations made by funding events or activities in support of the political party with the consent of the party, return to the State Budget of the unused part of state funding resources, transfer to the State Budget of amounts of contributions that could not be returned to the donors;*

4) *“Obligations of a financial nature,” in which complete and truthful information must be provided on all financial obligations of the political party and its local organizations which have acquired the status of legal entity in accordance with the procedure established by the law.*

*If an individual, based on his/her religious beliefs, refused to accept the registration number of tax payer’s record card, reported this to the respective supervisory authority and has a relevant mark in the passport, then the series and number of the individual’s passport shall be specified in the respective parts of the report of the political party on property, incomes, expenses, and liabilities of a financial nature.*

*All the information in a political party’s report on property, incomes, expenses, and liabilities of a financial nature must be differentiated depending on whether it pertains to the political party (as a separate legal entity) or to all of its other local organizations which have acquired the status of legal entity in accordance with the procedure established by the law. In such case, information pertaining to the party’s local organizations which have acquired the status of legal entity in accordance with the procedure established by the law shall be presented in respect of each such organization as a separate attachment.*

*A political party’s report on property, incomes, expenses, and liabilities of a financial nature for the fourth quarter of an accounting year shall be appended (by uploading photocopies into the system) with copies of reports on the conduct of the annual in-house financial audit and independent external audit of financial reporting of the political party (if its conduct is required by this Law) by uploading their photocopies into the system.*

*Copies of documents confirming information reflected in the report on property, incomes, expenses, and liabilities of a financial nature shall be provided by the political party on written request of the National Agency on Corruption Prevention within 15 working days after the receipt of the respective request.*

*Reports on property, incomes, expenses, and liabilities of a financial nature submitted by political parties shall be included in the Unified State Register of Political Parties’ Reports on Property, Incomes, Expenses, and Liabilities of a Financial Nature which shall be formed and maintained by the National Agency on Corruption Prevention.*

This unofficial translation was prepared by the International Foundation for Electoral Systems (IFES) through the support of the United States Agency for International Development (USAID) and Global Affairs Canada. The translation includes all amendments to the Law made by July, 2020.

The National Agency on Corruption Prevention shall provide free round-the-clock access to the Unified State Register of Political Parties' Reports on Property, Incomes, Expenses, and Liabilities of a Financial Nature on the official website of the National Agency on Corruption Prevention.

Access to the Unified State Register of Political Parties' Reports on Property, Incomes, Expenses, and Liabilities of a Financial Nature on the official website of the National Agency on Corruption Prevention shall be provided by allowing users to review, copy and print information as well as in the form of a dataset (electronic document) organized in a format allowing for its automated processing by electronic means (machine reading) for reuse.

Information on the registration number of tax payer's record care or series and number of passport of citizen of Ukraine, place of residence of an individual (except the name of the administrative territorial unit specified in Part two, Article 133 of the Constitution of Ukraine), and date of birth which is provided in the reports shall be considered limited access information and shall not be subject to open access.

Within 10 calendar days from the day of expiry of deadline for submission by political parties of reports on property, incomes, expenses, and liabilities of a financial nature, the National Agency on Corruption Prevention shall publish on its official website the list of political parties that failed to submit their reports within the timeframe specified by this Law, and shall ensure that those responsible are brought to justice.

Political parties' reports on property, incomes, expenses, and liabilities of a financial nature (including those submitted with violation of the deadline established by this Law) shall be verified by the National Agency on Corruption Prevention within no more than 60 days after their receipt.

The verification of political parties' reports on property, incomes, expenses, and liabilities of a financial nature shall include analysis of:

- 1) timeliness of submission of the political party's report on property, incomes, expenses, and liabilities of a financial nature;
- 2) completeness of the information provided in the political party's report on property, incomes, expenses, and liabilities of a financial nature;
- 3) truthfulness of the information provided in the political party's report on property, incomes, expenses, and liabilities of a financial nature;
- 4) compliance by the political party with the requirements regarding the use of funds exclusively in a non-cash form;
- 5) legitimacy of the donations made by individuals and legal entities in support of political parties;
- 6) compliance by the political party with the requirements of the law as regards responding to cases of receipt of donations made by an individual or a legal entity in violation of the requirements of the legislation;
- 7) compliance by the political party with the requirements of the legislation regarding the conduct of the annual in-house financial audit and the passing of the external independent audit of financial reporting.

Based on the results of the verification of political parties' reports on property, incomes, expenses, and liabilities of a financial nature, the authorized person of the National Agency on Corruption Prevention shall draw up an opinion reflecting the results of the conducted analysis as well as a

detailed description of the essence of all the violations, with indication of the response measures taken (if violations were identified).

The procedure for conducting the audit of political parties' reports on property, incomes, expenses, and liabilities of a financial nature as well as the form of the opinion to be drawn up based on the results of such audit shall be subject to approval by the National Agency on Corruption Prevention.

The opinions prepared on the basis of the results of the verification of political parties' reports on property, incomes, expenses, and liabilities of a financial nature shall be published on the official website of the National Agency on Corruption Prevention within the overall timeframe specified by Part twenty-one of this Article. When this is done, limited access information shall be deleted and personal data shall be depersonalized.

In case of discovery, while verifying a political party's report on property, incomes, expenses and obligations of a financial nature or while verifying information on alleged violations of the laws governing political party finance, of any signs of violations of requirements of the legislation serving as grounds for criminal, administrative or other liability, the National Agency on Corruption Prevention within five days following the date when the signs of violations were revealed shall notify in written the agencies (officials) tasked to bring the offenders to liability and shall send to the respective agencies (officials) the evidence of detected violations, or ensure that the offenders are brought to account, acting within the scope of its powers.

The submission of financial reports on the receipt and use of the resources of the election fund of a party, its local organization, candidate nominated by a party or its local organization in the election of, respectively, the President of Ukraine, the MPs of Ukraine, in local elections, as well as their analysis shall be performed in accordance with the procedure established by the respective election law.

## **Chapter IV-1 PUBLIC FUNDING OF POLITICAL PARTIES**

### **Article 17-1. Forms of state funding of political parties**

The State Budget funds shall be allocated to:

- 1) funding of the statutory activities of political parties not related to their participation in presidential, parliamentary or local elections, including remuneration of the members of the statutory bodies of the party and its local organizations pursuant to the procedure specified in the legislation;
- 2) the reimbursement of the party expenses on election campaigning in the regular or early parliamentary elections.

If the State Budget is divided into the general and special funds, the expenses provided for by Part 1 of this Article shall be covered from the general fund of the State Budget.

### **Article 17-2. Annual amount of state funding of statutory activities of political parties**

The total annual amount of the state funding of statutory activities of all the political parties which pursuant to this Law are entitled to such funding shall be equal to one hundredth of the minimum monthly salary as established on January 1 of the year preceding the year when the State Budget funds are allocated multiplied by the number of voters who voted in the nationwide multi-member constituency in the most recent regular or early parliamentary elections. The total number of voters who voted in the nationwide multi-member constituency shall be established based on the protocol of the Central Election Commission on the results

of the most recent regular or early parliamentary elections in the nationwide multi-member constituency.

**Article 17-3. Grounds and procedures for obtaining right to state funding of statutory activities of political party**

A political party shall have the right to state funding of its statutory activities if in the recent regular or early parliamentary elections its list of candidates in the nationwide multi-member constituency received no less than five percent of the votes who voted for all party lists of candidates in the nationwide multi-member constituency.

To receive funds from the State Budget of Ukraine allocated to state funding of the statutory activities of the political party, the party shall open a separate account in the national currency of Ukraine in the Ukrainian banking institution. The funds received by political party for funding of its statutory activities shall be transferred only at such a separate bank account. No other funds, except for the State Budget funds allocated to funding of the statutory activities of the political party shall be transferred to such account.

The decision on transferring the funds of the State Budget allocated to state funding of statutory activities of political party or decision on refusal of such allocation shall be adopted pursuant to this Law by the National Agency on Corruption Prevention based on the results of the most recent regular or early parliamentary elections in the nationwide multi-member constituency. Either decision shall be adopted in a five-day term following the day of official publication of the election results, providing that by the day when the decision was adopted the head or other authorized representative of political party submitted a statement of the Ukrainian bank confirming the opening of the separate party's bank account in the national currency of Ukraine. Any political party shall be entitled to file with the National Agency on Corruption Prevention a statement of refusal or partial refusal of state funding of its statutory activities.

The Central Election Commission shall submit to the National Agency on Corruption Prevention and to the central executive body in charge of development and implementation of the public financial policy a copy of its protocol on the results of the regular or early parliamentary elections in the nationwide multi-member election constituency. Such a copy shall be submitted on the day of official publication of the results of the regular or early parliamentary elections.

A political party can refuse state funding of its statutory activities for a term of one, two, or three quarters or for a budget period (one year). The period for which a political party refuses state funding of its statutory activities must be specified in the application that the political party shall submit to the National Agency on Corruption Prevention. The suspension of state funding of the statutory activities of such political party shall begin from the quarter (year) after the quarter (year) in which the respective application was submitted. The funds received by the political party in the quarter (year) in which the respective application was submitted shall not be subject to return.

*A political party's application for refusal of state funding of its statutory activities shall be submitted to the National Agency on Corruption Prevention within five days from the day of official promulgation of the results of the election of the MPs of Ukraine based on the results of the latest regular or early election of the MPs of Ukraine in the nationwide multi-member election constituency.*

*A political party's application for refusal of state funding of its statutory activities for a term of one, two, or three quarters or for a budget period (one year) shall be submitted to the National*

Agency on Corruption Prevention at any time. The budget funds not received by the political party as a result of its *refusal of state funding of its statutory activities* shall not be divided between other political parties.

*The National Agency on Corruption Prevention* shall adopt a decision on refusal to provide state funding of the statutory activities of political party if the party in question is not entitled to state funding of its statutory activities or based on the grounds specified in Article 17-8 of this Law.

*The decision of the National Agency on Corruption Prevention* on refusal to provide state funding of the statutory activities of political party shall be motivated and specify the list of grounds for refusal. Such a decision can be challenged at court within the terms and pursuant to the procedures established by the Code of Administrative Proceedings of Ukraine.

#### **Article 17-4. Reimbursement of party's expenses on election campaigning in the parliamentary elections**

A political party shall be entitled to reimbursement of its campaign expenses in the parliamentary elections on condition that it participated in distribution of the mandates between the parties in the most recent regular or early parliamentary elections.

The party's expenses on election campaigning in the parliamentary elections shall be reimbursed in the amount of actual expenses. However, the total amount of reimbursement to any political party shall not exceed the campaign spending limit for political parties whose candidates were registered in the nationwide multi-member constituency provided for by the Parliamentary Election Law.

No later than in sixty days following the official publication of the election results, the Central Election Commission, based on the party's final financial report on the receipt and use of the election fund submitted in accordance with the requirements of the Parliamentary Election Law, shall adopt a decision on reimbursement of campaign expenses to political party or a decision on refusal of such reimbursement.

The party's expenses on election campaigning shall not be reimbursed if the Central Election Commission, the National Agency on Corruption Prevention or court establishes, in accordance with the legally prescribed procedure, that no party's pre-election financial report on the receipt and use of the election funds was submitted in a timely manner, or if the pre-election and final reports are incomplete or contain deliberately false information.

No later than in five days following the adoption of the decision on reimbursement of expenses on election campaigning or on refusal of such reimbursement, the Central Election Commission shall inform on the adopted decision the political party affected by that decision.

The decision of the Central Election Commission on refusal of reimbursement of expenses on election campaigning to political parties can be challenged at court within the terms and pursuant to the procedure provided for by the Code of Administrative Adjudication of Ukraine.

The funds for reimbursement to political parties of the expenses on election campaigning shall be envisaged in the Law on State Budget of Ukraine for the year following the year when the parliamentary elections were held. The funds allocated to reimbursement of the parties' expenses on election campaigning shall be managed by the Central Election Commission.

To receive reimbursement of the expenses on election campaigning, a political party shall open a separate account in the national currency of Ukraine with the Ukrainian bank.

Within thirty days following the date when the Law on State Budget of Ukraine that allocated funding for reimbursement of the parties' expenses on election campaigning entered a legal

force, and based on the on the respective decision of the Central Election Commission, the funds for reimbursement of the parties' expenses on election campaigning shall be transferred by the Central Election Commission to a separate bank account of political party.

#### **Article 17-5. Procedures for allocation and distribution of funding of statutory activities of political parties between parties**

The funds allocated from the State Budget for funding of statutory activities of political parties shall be distributed between the eligible parties by the National Agency on Corruption Prevention as follows:

1) 10 per cent of the total annual amount of funding of the statutory activities of political parties provided for by Article 17-2 of this Law shall be equally divided between those political parties, which are eligible to such funding in accordance with this Law and, based on the results of the most recent regular or early parliamentary elections, ensured that the number of representatives of one sex among the elected Members of Parliament who assumed their offices does not exceed two-thirds of the total number of the Members of Parliament who were elected from that party;

2) 100 per cent of the total annual amount of funding of the statutory activities of political parties provided for by Article 17-2 of this Law shall be divided between the political parties which are eligible to such funding in accordance with this Law in proportion to the number of valid votes cast in support of the party lists of such parties in the nationwide multi-member constituency in the parliamentary elections.

If no party which qualifies for annual state funding of its statutory activities pursuant to this Law complies with the requirements of the Paragraph 1 of Part 1 of this Article, the State Budget funds provided for by the Paragraph 1 of Part 1 of this Law shall not be allocated from the State Budget of Ukraine, on which the National Agency on Corruption Prevention shall adopt the respective decision.

The political parties specified in Article 17-3 of this Law shall have the right to state funding of their statutory activities starting from the day following the day when the first plenary meeting of the newly elected *Verkhovna Rada* was held.

The right to state funding of the statutory activities of political party shall cease on the day when the first plenary meeting of the newly elected *Verkhovna Rada* was held, except for the case when the party, based on the parliamentary election results, received that right again.

*The National Agency on Corruption Prevention* shall ensure that the State Budget funds allocated for funding of the statutory activities of political parties are transferred on a quarterly basis to the separate bank accounts of the respective political parties specified in Article 17-3 hereof.

In the beginning of each quarter of the respective year, 25 per cent of the total amount of the annual funding of the statutory activities allocated from the State Budget to each eligible party shall be transferred to the above mentioned separate accounts of political parties.

The funding of statutory activities of political parties during the first year of a new convocation of the *Verkhovna Rada* of Ukraine shall begin no later than before the end of the quarter that includes the day of the opening of the first meeting of the *Verkhovna Rada* of Ukraine of the new convocation, with simultaneous allocation of the funds to which the political parties are entitled for the period starting on the day after the day of opening of the first meeting of the *Verkhovna Rada* of Ukraine of the new convocation.

This unofficial translation was prepared by the International Foundation for Electoral Systems (IFES) through the support of the United States Agency for International Development (USAID) and Global Affairs Canada. The translation includes all amendments to the Law made by July, 2020.

### **Article 17-6. Grounds and procedures for return of state funding of statutory activities of political parties**

A political party shall be entitled to spend the funds allocated to fund its statutory activities during one calendar year starting from the day when the respective funds were initially transferred to the party's separate bank account specified in Part two, Article 17-3 of this Law, in the respective calendar year.

If after the end of the calendar year following the year in which resources allocated for funding a political party's statutory activities were first transferred to the political party's account the said funds were not used, the political party shall be required to return the remaining unused funds to the State Budget.

### **Article 17-7. Suspension of state funding of statutory activities of political party**

The state funding of statutory activities of political party shall be suspended based on the decision of the National Agency on Corruption Prevention in the following cases:

1) if the party failed to submit the report on property, incomes, expenses and obligations of a financial nature by the deadline prescribed by this Law; or

2) if the party's report on property, incomes, expenses and obligations of a financial nature was prepared with gross violations of the legally prescribed requirements or contains untruthful information on party's property, incomes or expenses amounting to twenty minimum monthly salaries as established on January 1 of the respective calendar year.

The National Agency on Corruption Prevention shall adopt a decision to suspend state funding of the statutory activities of the political party in question until the date when the circumstances based on which the state funding of statutory activities of the political party were suspended are eliminated by the political party.

If the party eliminated the circumstances based on which the state funding of its statutory activities was suspended, the National Agency on Corruption Prevention no later than in five days following the day when it received the corrected report on party's property, incomes, expenses and obligations of a financial nature shall decide on whether the state funding of the statutory activities of the party in question be restarted. The state funding of the statutory activities of political party shall be restarted from the beginning of the quarter following the quarter when the decision to restart state funding of the statutory activities of political parties was adopted.

The state funding of a political party's statutory activities shall also be suspended if the political party has submitted to the National Agency on Corruption Prevention an application for partial refusal (for a period of one, two, or three quarters or for a budget period (one year)) in accordance with the provisions of Article 17-3 of this Law.

The funds not received by a party as a result of suspension of state funding shall not be subject to reimbursement or return to the political party in question.

### **Article 17-8. Termination of state funding of statutory activities of political party**

The state funding of the statutory activities of political party shall be terminated based on the following grounds:

1) if the criminal law measures provided by the Criminal Code of Ukraine were used against political party pursuant to the procedure established by law;

This unofficial translation was prepared by the International Foundation for Electoral Systems (IFES) through the support of the United States Agency for International Development (USAID) and Global Affairs Canada. The translation includes all amendments to the Law made by July, 2020.

- 2) if during one year the party repeatedly committed one of the following offences: if the party failed to submit to the National Agency on Corruption Prevention by the legally established deadline a report on property, incomes, expenses and financial obligations; if the party submitted to the National Agency on Corruption Prevention report on property, incomes, expenses and obligations of a financial nature prepared with gross violations of the legally prescribed requirements or the report that contains untruthful information on party's property, incomes or expenses amounting to twenty minimum monthly salaries as established on January 1 of the respective calendar year; if the party intentionally received a donation from a prohibited source or in amount exceeding the legally established maximum;
- 3) in the case of reorganization (except for merger with other political parties or acquisition of/by other political parties), termination (self-dissolution) of political party;
- 4) in the case of prohibition of political party or cancellation of its certificate of registration pursuant to the procedure prescribed by the law;
- 5) if a court, based on a lawsuit filed by the National Agency on Corruption Prevention or by the Accounting Chamber, established the fact that the State Budget funds allocated to funding of the statutory activities of political party were used to fund the party's election campaigning in the parliamentary, presidential or local elections, or for the purposes other than those related to carrying out party's statutory activities;
- 6) if the funds received for funding of the statutory activities of political party were not used during one year starting from the date when the respective funds were initially transferred to the party's separate bank account;
- 7) if the party repeatedly, during the same year, transferred to a separate account opened at the banking institution of Ukraine for transferring the State Budget funds allocated to state funding of the statutory activities of political party the funds forbidden from being transferred to such bank account pursuant to this Law; or
- 8) if the party submitted a statement of refusal from state funding to the National Agency on Corruption Prevention.

A decision on termination of the state funding of statutory activities of political party shall be adopted by the National Agency on Corruption Prevention based on the documents specified in Part 3 of this Article no later than on the fifth day when the respective documents were received.

The circumstances referred to in Paragraphs 1, 4 and 5 of Part 1 of this Article shall be established by a court judgement that entered a legal force. The circumstances referred to in Paragraphs 2, 6, 7 and 8 of Part 1 of this Article shall be established by the National Agency on Corruption Prevention. The circumstances referred to in Paragraph 3 of Part 1 of this Article shall be established by the central executive bodies in charge of implementing the public policy related to the state registration of civic associations and other civic establishments. Within five days following the establishment of the respective circumstances, the body that established them shall be obliged to file with the National Agency on Corruption Prevention a copy of the document that established the respective circumstances, providing that a copy shall be certified by the body which prepared the document.

If a party which pursuant to this Law has the right to state funding of its statutory activities was reorganized through merger or acquisition by/with other political parties, the political party succeeding the reorganized party shall be entitled to state funding of its statutory activities in amount that was provided to the political party which activities were terminated due to merger or acquisition.

### **Article 17-9. Public control of proper use of funds allocated from State Budget of Ukraine for funding of statutory activities of political party**

The public control of the proper use of the funds allocated from the State Budget of Ukraine for funding of statutory activities of political parties shall be exercised by the Accounting Chamber and National Agency on Corruption Prevention.

If the Accounting Chamber or the National Agency on Corruption Prevention reveals any signs that the State Budget funds allocated to funding of the statutory activities of political party were used to fund the party's election campaigning in the parliamentary, presidential or local elections, or for the purposes other than those related to carrying out party's statutory activities, it shall without delays turn to the court with a lawsuit seeking to establish the respective facts.

## **Chapter V PUBLIC CONTROL OF POLITICAL PARTIES' ACTIVITIES**

### **Article 18. Bodies entitled to exercise public control of activities of political parties**

Public control of activities of political parties shall be exercised by:

- 1) the central executive body in charge of implementing the public policy related to the state registration of the civic associations and other civic establishments, which shall supervise a political party's compliance with the Constitution, the laws of Ukraine and party's statute, except for the cases when exercising such a control is vested in the scope of powers and authorities of the other bodies of state;
- 2) the Central Election Commission, the District Election Commissions and the Territorial Election Commissions (in local elections), which shall supervise observance by the political parties of the established procedures for participation in electoral process and, within the powers determined by law, shall control the timely submission to the respective election commissions of pre-election and final financial reports in the receipt and use of the election funds in the respective elections, as well as the correctness and accuracy of the data included into those reports;
- 3) the Accounting Chamber, which shall supervise proper use of the State Budget funds allocated to fund the statutory activities of political parties by the respective political parties; and
- 4) the National Agency on Corruption Prevention, which shall supervise the observance of restrictions related to funding of political parties, election campaigning and campaigning in the national and local referendums, the legitimate and proper use of the State Budget funds allocated to funding of the statutory activities of political parties, timeliness of submission of the reports on the property, incomes, expenses and obligations of a financial nature of political parties, as well as reports on the receipt and use of election funds in the national and local elections, the completeness and reliability of such reports, and compliance of the financial reports with the legally prescribed requirements.

The political parties shall be obliged to provide to the controlling agencies all the requested documents and explanations. The decisions of the controlling agencies shall be a subject to a legal challenge pursuant to the procedures established by the law.

### **Article 19. Measures to be applied to political parties**

If the parties violate the Constitution of Ukraine, this and other laws of Ukraine, the following measures can be taken against them:

- 1) announcement of warning to prevent further illegal activities; and
- 2) prohibition of political party.

Suspension or termination of the state funding of the statutory activities of political parties in accordance with the procedure established by this Law shall not serve the grounds for taking the measures specified in the Part 1 of this Article.

#### **Article 20. Announcement of warning to prevent further illegal activities**

In the case when the governing bodies of political party made a public statement on intent to perform actions which according to the laws of Ukraine might result in legal liability, the respective controlling public agencies shall issue the orders on prohibition of the illegal activities from being carried out.

If the actions or inaction of political party do not entail any sanctions pursuant to the laws, the respective public controlling agencies shall issue the orders on abstaining/terminating from/of committing the violations.

The political party leadership shall be obliged without delays to stop the violations of the laws of Ukraine that constituted the grounds for announcement of warning to political party, and within five days shall inform the body that announced a warning on the taken measures.

#### **Article 21. Prohibition of political party**

Based on administrative lawsuit of the central executive body in charge of implementing the public policy related to the state registration of the civic associations and other civic establishments, a court shall be entitled to prohibit a political party in the case when it violated the requirements to the establishment and operation of political parties set forth in the Constitution and laws of Ukraine.

Prohibition of political party shall result in termination of all party's activities, dissolution of its governing bodies, the regional, city, rayon organizations, its primary cells and other structural units provided for by the party statute, termination of membership in political party, as well as in adoption by the central executive body in charge of implementing the public policy related to the state registration of the civic associations and other civic establishments and its local branches the decisions on termination of political party and its structural units.

If the court decision on prohibition of political party fails to establish a commission for termination of political party (termination committee of political party) and its structural units registered as legal entities, the decision on termination of political party and its structural units shall appoint the head of the party's governing body or the person entitled to take legal actions on behalf of political party without additional authorization to the post of the head of the termination committee of the party or its structural unit, unless otherwise is provided for by the court decision.

#### **Article 22. Liability of public officials and citizens for violation of laws on political parties**

The public officials and the citizens who committed the following offences of this Law:

- 1) establishment, organizing the operations and participation in the activities of unregistered political parties;
